MUHAMMAD ALTAMASH AKHTAR

JUNIOR PYTHON DEVELOPER

To secure a position in a competitive setting that will challenge me to stretch my abilities and deepen my expertise in computer science, I am eager to contribute my skills and experience to enhance the company's dynamics.

EDUCATION

JAN 2019 - APRIL 2023
Bachelor's Of Science In Computer Science
Indus University
AUG 2016 - DEC 2018
Pre-Engineering
Government Degree College Gulshan-e-Iqbal block#07

EXPERIENCE

2024 | FEB-PRESENT

Nixaam LLC
Junior Python Developer

As a Python Developer at Nixaam, I oversee all aspects of development within the Python domain, including machine learning, web scraping, data analysis, and AI. I am proficient in Django, Flask, AWS Cloud, Postgres SQL, and API integration and deployment, and manage data on the cloud and employment payroll. Leveraging my expertise, I drive innovative solutions and contribute to the advancement of our technological initiatives, ensuring high-quality deliverables that align with our clients' needs and support our company's growth.

2023 - 24 | SEP- JAN

CODIGNIZE
Python Developer

I spearheaded Python coding initiatives at Codignize, specializing in web scraping, data analysis, data engineering, and AI/ML. My responsibilities encompassed automating web scraping tasks, exploring Python libraries, and collaborating with teams to translate business needs into technical solutions. I continually honed my expertise through workshops and online courses, contributing to data preprocessing and machine learning model development.

2023 | JUN-AUG

VIDIZMO (Softech worldwide)
Machine Learning | Data Annotation

At Softech Worldwide, I led machine learning initiatives as a Python Developer, specializing in data labeling, annotation, and model training. Through strategic code modifications, I enhanced operational efficiency by automating processes and optimizing workflows. My expertise in Python development and dedication to innovation contributed to the success of the organization, showcasing my ability to deliver high-quality solutions and support the company's growth.

ACHIVEMENT

INTERVIEWED|ARY NEWS, 92 NEWS, EXPRESS NEWS & DAILY EXPRESS

As a recognized expert in the field, I have been featured in interviews across esteemed media outlets such as ARY News and 92 News, as well as in prominent newspapers. My interviews cover the challenges, successes, and future implications of my project, demonstrating my expertise and thought leadership in the industry. The interviews can be accessed at the following links:
